

Summer Reading Project

To go along with your 2 Response Journals, you will be creating one project based on **YOUR ONE CHOICE BOOK**. Do not create one for the required summer reading book.

Your choices for the project are

- A 2' X 3' poster that includes ***in writing*** the title of the book, the author's name, the main characters, and the main setting and ***visually*** shows an important scene from the book. *You can draw or paint, use cut-out paper, glued objects, etc. Be creative!*
- A made-up scene based on the characters and situations in the book. *Use the book's characters, setting, and situations to write your own 2-page scene.*
- A short (2-3 minute) video that shows a scene or two from the book and gives a summary of the plot. *Lights, camera, action!*
- A 10-panel color cartoon that shows the story's highlights. *No stick figures, though. Take the time necessary to create interesting pictures and lay-outs. Each panel should contain dialogue and any other text you might need to make sure someone who has not read the book knows what is going on.*
- A photo album of the main character's experiences included in the book. *Take photos of yourself or a friend dressed like the main character, cut out magazine photos, etc. Put captions with the photos so it is clear what part of the story the photo comes from.*

Your project is due the first day of school.
